Resources

Campus resources are designed to make college easier, however that's only the case if you take advantage of them. Taking advantage of these resources doesn't mean that you're failing at college, it means that you know how to take advantage of the resources that are available to you. Remember, every student needs help at some point in their college career! Use all of the resources you need and go get that degree!

Student Handbook (Spartan Life)

Essential info for life as a Spartan. Spartan Life provides valuable information for your engagement at Michigan State University (MSU). Their handbook acts as your guide to campus life and compiles much of the essential information you need to optimize your Spartan experience.
